

Safety Precautions

for young and old - all relatives

1. **Check Your Environment** - what are the signs that tell you about how safe it is for you to be here right now?
2. **Check Your People** - who are the people nearby who can help if you or someone else needs it?
3. **Check Your Cell** - where is the closest charged cell phone you can use?
4. **Check Your Tracking** - who do you trust to keep informed about where you are and when you'll be where?
